We will provide a nutritious snack mid-morning and mid-afternoon. All children under age 5 will be offered a nap in the afternoon.

In addition to theme-based weekly offerings, programs will be available with specific focus by Montessori Certified faculty, with Montessori materials. The *Montessori Classroom* offers opportunities for a full morning work cycle closely resembling the structure students enjoy during the school year. This setting provides an excellent opportunity for students to remain current with skills acquired during the preceding school year, as well as an introduction to students who join us in the fall.

**Back by Popular Demand:** We will also offer small group classes for those families who would like more of a tutorial environment called *Math & Language Enrichment*. These classes are offered on a weekly basis in one-hour sessions with no more than three students during each hour.
